

# Your Experiences Matter

**Canopy is committed to offering safe, inclusive and equitable care for all. We provide members a diverse care team, with access to culturally responsive services.**

- **Select a mental health professional based on your unique needs such as language, ethnicity, LGBTQIA+, racial trauma, religion, office accessibility, veterans, and more.**
- **Financial coaching and legal consultation to support traditionally underrepresented populations.**
- **Resources that support a diverse range of needs for housing, caregiver support, and family building.**
