

## Avoid Holiday Crime

- Carry only one credit card. Keep the card and a small amount of cash in a front pocket, say the Independent Insurance Agents and Brokers of America.
- Partially close blinds when you leave town. People can't see in, but the place doesn't look locked up tight.
- Get expensive gifts engraved with a personal ID number. If a gift is stolen and recovered, you will be able to identify it.
- Don't leave labeled boxes on the curb for trash collectors. A thief will be pleased to see that you have a new TV or computer.

Remember Cascade Employee Assistance Program as a resource to help you learn more about staying safe during the holiday season. The EAP is here to help. Please call us if we can assist you in any way. We are here 24 hours per day, seven days per week.
